OOH! That awful Cramp — you just don't know what to do with yourself. If YOUR nights are disturbed with these extremely painful spasms — if you hardly 'dare' sleep, lest a subconscious stretch should start it up again — ask your chemist for CRAMPX TABLETS. Take one before going to bed and REST ASSURED. With this blessed relief you'll get a grand night's sleep.

CRAMPX for NIGHT CRAMPS

\* SORRY IT'S SO EXPENSIVE BUT THERE ARE  
ONLY 150 COPIES SO ITS VERY EXCLUSIVE.

THIS MINI-ZINE IS EXCLUSIVE TO MEMBERS OF THE 'LEGION OF THE CRAMPED' AND IS CONCEIVED IN THE CONFINES OF 10 DOCHART PATH, GRANGEMOUTH, STIRLINGSHIRE, SCOTLAND Telephone (03244) 2724. IT MUST NOT BE LEANT OUT TO NON-BELIEVERS UNLESS THEY CAN BE DEEMED CONVERTS WITHIN A FEW BLASTS.

HOW OFTEN DOES A BAND COME OVER FROM THE USA TO PRACTICALLY NO ADVERSE PUBLICITY? NEVER, UNTIL NOW THAT IS, THE CRAMPS SWEEP THESE SHORES FROM PILLAR

TO POST, EUROPE TOO COME TO MENTION IT AND THE SWARMS ARE LOVING IT TO DEATH. THE ALBUM SOLD 10,000 COPIES IN ONE WEEK IN FRANCE.

LIVE, YOU CAN ACTUALLY FEEL, THE CRAMPS AS WELL AS SEE AND HEAR THEM. FROM THE OPENING MUTANT THRASH OF 'HUMAN FLY', THE BAND ARE OFF AND RUNNING WITH EVERY SOUL IN THE PLACE. THEY'VE STILL GOT A LOT OF THEM TOO AND THEY AIN'T GIVING THEM BACK - NO WAY, GEOFFREY! THE NEWIES, 'CAVEMAN', 'WHATCHA DO TO ME' and ESPECIALLY 'GOO GOO MUCK' ARE DAMNED TIP TOP.

CAVEMAN/FOURTH FLOOR

CAVEMAN/LAST DOOR STILL RINGS IN MY HEAD, I THINK THEY MUST HAVE A LITTLE KENPIE DOLL IN MY IMAGE, CONTROLLING ME BECAUSE I HAVE NEVER STOPPED PUSHING THEIR WONDERFUL DIN THROUGH EACH AND EVERY CRANIUM THAT ENTERS OUR ABODE...

... SOME GO UNDER THE INFLUENCE EASILY,  
OTHERS GET SCARED AND DECRY THIS SEEMING-  
LY UNHOLY RELIGION, NOT UNLIKE THE POLICE  
AUDIENCES DID ON THEIR FIRST VISIT TO THIS  
COUNTRY-WHY DON'T YA TRY IT ON YOUR FRIENDS?  
ITS REAL SIMPLE! WATCH OUT FOR REPRINTS  
OF OLD INTERVIEWS AND STUFF IN FUTURE ISSUES  
IF YOU HAVE ANY ORIGINAL PICTURES AND STUFF  
PLEASE LET ME KNOW.

HERE WE ARE FACTS FREAKS THE

APPEAR IN A UK PUBLICATION: NME

"HI, WE'RE THE CRAMPS — just another bunch of posers from New York. From the left, there's Brian Gregory on bass, Cux Interior on vocals, Ivy Rorjechasch on guitar and Miriam on drums. We're the most minimal group Miles has seen since Subway Sect. Only reason we're here is because some goon trailed us last week. We wouldn't like to let all you Cramps fans down by not showing up. Just don't go confusing us with The Mumps ..."

Next week: THE LUMPS, THE BUMPS and THE SPRAINS  
(exclusive reviews)
